PLATÔS E DISCOS DE EMBREAGEM 100% NOVOS

Parceiros

Fundada em 2004, nossa empresa Atacadão Automotivo é referência nacional, especializada no seguimento de embreagens ZF SACHS, EATON, VALEO e LUK para veículos leves, médios, pesados e agrícolas.

Atuamos com importação e distribuição de embreagens novas, rolamentos, revestimentos e componentes de embreagem.

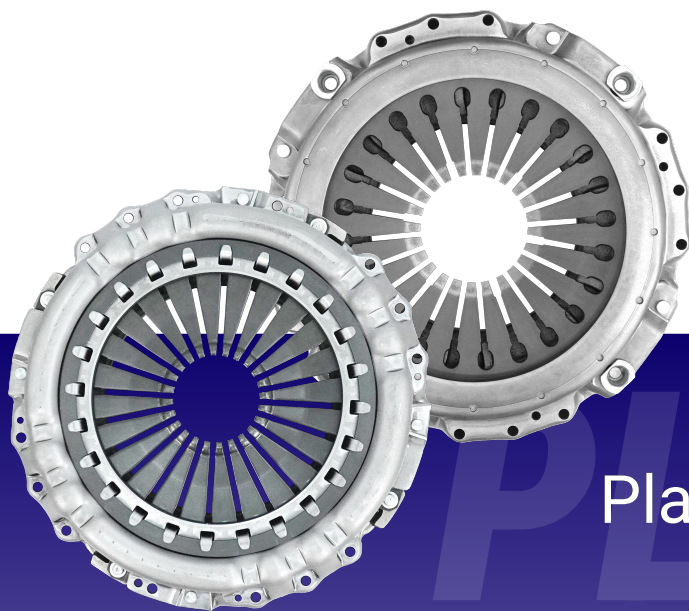

Temos um amplo estoque de embreagens novas e completas como platôs, discos, rolamentos e atuadores para toda linha de ônibus e caminhões de 280mm a 430mm Mercedes-Benz, Volkswagen, Scania, Volvo, Iveco, Ford e MAN.

Todos os nossos produtos são produzidos em fábricas que atuam com padrão de qualidade original de montadoras, com Certificação Internacional ISO9001, ISO14001 e ISO27001 atestando máxima qualidade e performance.

Nossa linha de embreagens PREMIUM AUTOMOTIVE se destaca pela durabilidade extrema e máxima eficiência, sendo indicada tanto para micro ônibus rodoviário de baixo esforço, quanto para carretas Rodotrem de trabalho extra severo, fidelizando nossos clientes com o mais importante pré-requisito; a confiança no produto.
